Details of Existing & Proposed Policy Versions	**Policy Launched -Month & Year**
New Three-Wheeler - Policy Version 1.0 – Existing	December - 2022
New Three-Wheeler - Policy Version 2.0 – Proposed	April-2024

Background:

- A three-wheeler vehicle propelled by Petrol, Diesel, CNG or Electric motor. Three-wheelers are generally used as a commercial vehicle to transport passengers and goods. Three-Wheeler mobility depends on the maneuverability, affordability, and door-to-door transport.

- The key players analyzed in the three-wheeler market in India include – TVS Motor Company, Bajaj Auto Ltd, Piaggio, Mahindra & Mahindra and Atul Auto.

Objective

- Understanding the yields in Three-wheeler vehicle lending business is more than to offset the underlying risks involved in business, As the yields are higher and competition is lower from private banks/NBFC. Current players of Three-Wheeler finance market are Shriram, Cholamandalam, Sundaram Finance, Mahindra, Bajaj Finance etc.

- TVS CS as a captive financier for TVS Motor Company need to play a major role and hence now focusing on Three Wheeler lending business to increase overall book size, Profit and profitability within the group.

- Based on the experience of last 12 months proposing the version 2.0 of the policy note with amendments.
